

In the midst of fighting, a unique peaceful action in Ukraine on the first “Route of Peace”. »
by “Bio-d.fr”. It left Lisbon in April 2023 and continues via Avignon, Nuremberg, Kiev and now on
to Mariupol (the peace 8/04/24), Moscow, Vladivostok, San Francisco, Arlington et Washington.

Peace defies war

between Kiev and Mariupol across the front line in Donetsk.

***With the “Peace Van” pacification is achieved by
“Biosphere-for-Tomorrow” (Bio-D.fr) and DakTTari.
All those who think it is time to take up the torch of John F.
Kennedy, who fell in Dallas on November 22, 1963, will
also become DakTTari, a doctor of the biosphere.***

***J. F. Kennedy said: "France has already broken with the plans of the United States in the past: I
expect France and Europe to return to this attitude." "Those who have consistently voted
against the instruments of peace should be sent home by voters and replaced by women and
men who understand something about the 21st century."***

Biosphere-pour-Demain has been committed to building a new society since 1989.
